

WATER RESOURCES RESEARCH GRANT PROPOSAL

Project ID: 2002CO8B

Title: Technology Transfer/Information Dissemination

Project Type: Information Transfer

Focus Categories: None

Keywords: Technology transfer, Information dissemination

Start Date: 03/01/2003

End Date: 02/28/2004

Federal Funds Requested: \$35186.00

Matching Funds: \$70372.00

Congressional District: 4th

Principal Investigators: Ward, Robert C. (Colorado State University)

Abstract: CWRRI provides Colorado water users and managers with the latest water information and research results through an active technology transfer program. The CWRRI newsletter, COLORADO WATER, is the major vehicle to transfer water information from the higher education community to Colorado citizens. The Technology Transfer/Information Dissemination proposal also includes descriptions of CWRRI's publications series, websites, meetings and conferences, and student intern program.
